Presidents Report

FRANK IMPINNA
CO Federation President

It has been a slow past three months, where the major concern has been the legislaion now on bills that we all need to take action upon. August was Grassroots Advocacy Month, and an email went out to all members to take action by clicking on each action letter.

These are listed below, and once you have entered your profile information, you will not need to fill them in again. You only need to click on the action letter and scroll down to click 'Send'. It's easy to notify your representative that you want their support. Please watch for these action letters from the advocacy department.

- Here is a sample of the resources at your disposal:
 - Ask How Your Member is Defending Americans’ Privacy!
 - Urge Congress to Stand Up for Public Servants, Rule of Law!
 - Cosponsor the Saving the Civil Service Act, H.R. 492/ S. 134
 - Cosponsor the Equal COLA Act, H.R. 491/ S. 624
 - Cosponsor the Fair Act, H.R. 943/ S. 126
- Go to <https://www.narfe.org/advocacy/> and take action on these issues.

Also in August, all the NARFE federation presidents met at the Hyatt Regency in Indianapolis where the 2026 FEDcon26 conference will be held next year. It was a three day meeting to work on ideas for improvements within the organization as well the federations. The highlight was the presentation by the Street Level Studio marketing firm along with the membeship department indicating a slow progress in increasing membership growth.

Region VII / NEB Report

SHARON REESE
Region VII VP

Fall is in the air, summer is over, and it's time to get back to NARFE business.

I had a busy summer supporting Federations and Chapters with visits, and I hope you found the information beneficial. On October 7th, I will travel to Layton, Utah, for their annual Federation Meeting, and then on October 13th, I will drive to Tucson for the Southwest Federation Executive Board Meeting. The next National Executive Board Meeting will be held November 17-20 in Alexandria VA. I am unsure if this meeting will be open to members via Zoom. If you have any issues you would like me to address, please provide the information to me by October 8th.

Health Fairs are scheduled for late October through November. I hope you will attend to provide information about NARFE. Remember, if you recruit a new member, you will receive a \$10 bonus. Have you tried our new email, INFORMX, to be sent to members? Information has been sent to all Chapter Presidents. Navigate to the Officer Portal, where, under the Federation and all its chapters, you will find a button labeled “Request Email to Member.” Please complete the form, and Headquarters will send your email to you. Federation and Chapter Bylaws are being addressed again. If you have not updated your Bylaws since 2016, when we adopted a one-member, one-vote system, you need to update them.

Headquarters is placing the bylaws on the Officer Portal under Chapter Documents. If your Chapter does not have Chapter Documents, you do not have updated Bylaws. At the August 2025 NEB Meeting, the NARFE 2026 Election Timeline was approved. March 6, 2026, is the DEADLINE for declaring candidacy for National President, National Secretary/Treasurer, and all Regional Vice Presidents. This is also the deadline for submitting Bylaws and Rules Amendments, which will be considered by the Bylaws Committee. Thank you for all your work and support of NARFE!

ARE YOU A NATIONAL-ONLY MEMBER?

As a national member, without facilitating with a chapter, all national members must be aware and know that they have the same privileges within the federation that a chapter member has. As a member of the Colorado Federation, you have the opportunity to be a candidate for a federation, elected officer, or appointed officer. This information is available and can be obtained from anyone on the executive committee. National-only members are encouraged to participate and, if desired, engage on the fed hub community page.

NARFE Colorado Federation Legislative Report

Susan Tabacheck, National Vice President Legislation

NARFE Congressional District Leader (CDL 4) Nicolas Cresanta invited Representative Lauren Boebert and her District Director, McKenna Farley, to the Denver City Capitol Meeting on October 17th and confirmed.

As Colorado Federation Legislative VP, I attended Congressman Crow's and Senator Bennett's Town Hall on August 20, 2025. I wasn't able to ask my question, but both Representatives discussed the hardships that Federal workers in all agencies were going through. Two retired Federal workers who were able to ask a question were acknowledged as Civil Servants with a thank you from both Representatives.

As Federal Employees, we can't stop letting our Representatives know about the Bills in Congress listed below. Currently, we cannot afford to be complacent. Under Advocacy in NARFE online, you have the ability to send emails directly to your Representatives. The system pulls up your designated Rep.

H.R. 3547/S. 1861, not signed by our Representatives or Senators. Service member Health Freedom Act.

To amend title 10, United States Code, to allow members of the Selected Reserve and National Guard holding employment within the Federal Government the choice between military and civilian healthcare plans, and for other purposes.

H.R. 1989/S. 918 not signed by our Representatives or Senators

This bill proposes that probationary employees involuntarily separated from their government positions continue their probationary period upon reinstatement.

H.R. 491/S. 694 Equal Cola Act, not signed by our Senators

(CO 2) Congressman Joe Neguse is the only co-sponsor of this Bill

This bill applies a cost-of-living adjustment (COLA) for annuities paid under the Federal Employees Retirement System that is equal to the increase in inflation, regardless of the amount of the increase.

H.R. 492 – Saving the Civil Service Act, Congresswoman Diana DeGette is the only co-sponsor of this Bill.

There is not a Senate Bill related.

It prohibits the placement of competitive service positions into the excepted service, with limited exceptions for schedules already in effect as of September 30, 2020. It limits the number of employees that can be transferred from the competitive to the excepted service during a presidential term. It requires written consent from employees before they can be transferred from the competitive service to the excepted service.

H.R. 493 – FAIR Act, Diana DeGette is the only co-sponsor of this Bill.

This bill modifies pay rates for federal employees in 2026. Specifically, the bill increases rates under the statutory pay systems and for prevailing rate employees by 3.3% and increases locality pay by 1%.

S.126 – Fair Act, not signed by our Representatives or Senators.

This bill modifies pay rates for federal employees in 2026. Specifically, the bill increases rates under the statutory pay systems and for prevailing rate employees by 3.3% and increases locality pay by 1%.

President, Chapter 1085

Mory Lewis Chapter 1085

Our bi-monthly meetings have consistently been held at the Sunrise Sunset Restaurant, 1424 S. Wadsworth, Lakewood, at 11:30 am, in February, April, August, October, and December. We have a meeting room that provides privacy for speakers and allows them to eat lunch. This restaurant does charge a gratuity at the end, but they are very efficient in setting and preparing the tables each time we meet.

Our Executive Committee meets before our Chapter meeting to discuss the agenda and review details for upcoming meetings. In June, we hold our annual picnic at the Stone House Pavilion in Lakewood. Our Chapter currently has 295 members.

At our meeting on August 12th, we had 11 members in attendance. As the featured speaker, I shared information about the Colorado Federation Conference held on June 20th at Windsor Gardens in Denver. I also shared the good news that our Chapter has a new Treasurer – Colina Rivetts. At our next meeting on Tuesday, October 14, 2025, we will have Jane Fluekiger, Account Executive at Anthem Blue Cross Blue Shield, and Michelle Stoll, Group Account Manager at Kaiser Permanente, who will discuss any new updates from their carriers for 2026. Bill Douglas, 1st VP Membership, is planning visits to agencies during the health fair season and would appreciate volunteers to join him in recruiting new members. If you are interested, contact Bill at 303-200-0307 or BDouglas1951@q.com

Our meeting on Tuesday, December 9th, will be our annual Holiday party. We hope for a big turnout at this meeting, as it is intended for socializing and enjoying the seasonal festivities. We will also have the installation of our Chapter Officers for 2026.

Please contact Pat Mather, Chapter President, at 303-953-1146 or pamather@comcast.net with any questions or for more information.

GREG KANN

President, Chapter 2286

Billie Love Chapter 2286

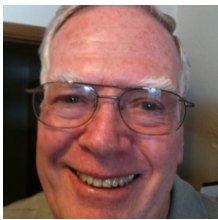

The Billie Love Chapter 2286 met on September 8, 2025, at Casa Calaca Mexican restaurant in Salida, Colorado, for our quarterly meeting. We welcomed two members who had not attended before or had not attended for some time, David Stout and Mark Varhus. We collected donations for Alzheimer's and had a great time catching up with everyone. We also enjoyed cake while celebrating Ted Van Hintum's birthday.

Our Chapter Christmas luncheon/meeting will be on Monday, December 8, 2025, at 11:30 at Jan's Restaurant in Buena Vista, Colorado. We will elect officers for 2026 and discuss plans for the coming year. Our Chapter has 29 members. Best wishes to everyone to enjoy the great Fall weather and the upcoming Holidays. Attached are pictures of our meeting and the birthday cake.

Denver - Capital City 0081 Chapter Report

JIM DODRILL
President, Chapter 81

Denver-Capital City Chapter 81 meets on the third Friday of each month at El Gran Jardin Restaurant at Windsor Gardens, 597 S. Clinton, Denver, CO. We had about 15 members attend our annual Chapter 81 picnic on July 21, 2025. The chapter provided the usual fried chicken, and members brought a dish to share. Sandi Berenbaum, volunteer for the State House District 2 – Denver Democrats, was our speaker at the August 15, 2025, meeting.

Sandi distributed several pages of data showing election statistics for most races in November 2025. The hand-outs also showed how to locate representatives and senators and make changes online to voter registration. Frank Impinna presented a PowerPoint slide show on the Federation Presidents’ meeting held in Indianapolis, IN, at our September 19, 2025, meeting. Frank explained the Federation has contracted with Street Level Studio for a Geotracting campaign to advertise NARFE. NARFE may also consider advertising on LinkedIn and Facebook. Frank also demonstrated some shortcuts on the NARFE website. Nick Cresanta, one of our Chapter 81 new members, has arranged for McKenna Farley, Southern Colorado Regional Director for US Congresswoman Lauren Boebert, Colorado District 04, to speak at our October 17. 2025 meeting.

We want to learn her views on the upcoming legislation affecting federal workers: The Saving the Civil Service Act, H.R. 492/ S. 134 Urge Congress to Stand Up for Public Servants, Rule of Law! The Equal COLA Act, H.R. 491/ S. 624The FAIR Act, H.R. 493/ S. 126 The Protect our Probationary Employees Act, H.R. 1989/ S. 918 The Protecting Federal Employee Rights to Personnel Files Act of 2025, H.R. 444. Our speaker for the November 21, 2025, meeting will be Jane Flueckiger with BlueCross/BlueShield. We have also scheduled our annual Christmas luncheon for December 12, 2025, at El Gran Jardin Restaurant, located at Windsor Gardens, 597 S. Clinton, Denver, CO. As of September 27, 2025, the chapter has 273 members.

Social Security Updates and Resources

By Josh Weller, Public Affairs Specialist, Social Security Administration

In honor of Social Security’s 90th anniversary, I am pleased to share some valuable Social Security updates and resources to help the public access our many programs and services.

Changes to our In-Person Services:

Social Security now requires customers to schedule an appointment for service in our field offices, including requests for Social Security cards. We encourage customers to become accustomed to our:

- online services, where many transactions can be completed conveniently and securely, and
- automated services available on our National 800# at 1-800-772-1213.

Customers who are not able to handle their business online or with the automated options, may call their local Social Security office or our National 800# to schedule an appointment.

Replacing Your Social Security Card Online:

Learning how to get a replacement lost or stolen Social Security number (SSN) card has never been easier. Customers can request a replacement SSN card online. There’s no need to sit in traffic and visit a local office or Card Center. As long as customers are only requesting a replacement card, and no other changes, they can use our free online services anytime, anywhere. All customers need to do is log in to or create their personal my Social Security account at SSA.gov/mysocialsecurity. To help assist the public with obtaining their Social Security Card, we have created the “Need a Social Security card?” QR Code poster that can be displayed in public facing areas. After scanning the QR Code, applicants are routed directly into the online application to start or complete their request. Please see attached PDF.

My Social Security Account Enhancements:

A free and secure my Social Security account provides personalized tools for everyone, whether customers receive benefits or not. Customers can use their account to request a Social Security card, check the status of an application, estimate future benefits, upload documents and submit online forms, or manage the benefits you already receive. Other my Social Security services include:

- | | |
|---|--|
| If you are not receiving benefits: | If you are receiving benefits: |
| • Get personalized retirement benefit estimates | Set up or change direct deposit |
| • Get estimates for spouse’s benefits | Get a Social Security 1099 (SSA-1099) form |
| • Get proof that you do not receive benefits | Print a benefit verification letter |
| • Check your application status | Change your address |
| • Get your Social Security Statement | Request to withhold Federal taxes |
| | Advanced Designation of Representative Payee |

Many of our notices are now available online. With an account, customers can opt to receive available notices online instead of by mail and select to receive email or text alerts when a notice is available. Getting available notices online means not needing to wait for them to arrive in the mail, or the notices getting lost or misplaced.

JANE GAHAN
President, Chapter 1072

Aurora Chapter 1072

It’s become a tradition for Chapter 1072 to take a summer holiday and not hold a meeting in July. We made this decision several years ago when the holiday fell on a Tuesday.

Our attendance at our August and September meetings was more sparse, reflecting members’ summer commitments. Members welcomed Mark Fetterhoff, from AARP ElderWatch, to our August 4, 2025, meeting. He presented the topic, Top Ten Ways to Avoid Fraud. This was a perfect follow-up to the 'The Top Scams Coloradans Are Reporting' topic, also presented by AARP ElderWatch at our March 3, 2025, meeting.

We learned ElderWatch is a partnership between AARP and the Colorado Attorney General’s Office in existence for over 20 years. They are totally staffed by volunteers, taking 200 calls per month.

In addition to providing fraud education and outreach across Colorado, they promote financial literacy among older adults. The organization works nationally through the AARP Fraud Watch Network. In his presentation, Mr. Fetterhoff reminded us of some of the proactive steps we can take to "avoid fraud, identity theft and the many millions of criminals out there who are after your money and personal information daily!" Loretta Knauf, Chapter 1072 Alzheimer’s Chair, coordinated the presentation given by Mr. Ron Uchida of the Alzheimer’s Association at the chapter’s September 8, 2025, meeting. Ron had given Part 1 of “Healthy Living for Your Brain and Body” at the June 2, 2025, meeting. In Part 2, Ron reviewed and expanded upon the scope of the Information he presented earlier.

He discussed the risk factors and how to mitigate them, as well as diagnoses, stages, current treatments, and ongoing research. Since Ron’s uncle was afflicted with Alzheimer’s disease, Ron is participating in a clinical study examining his medical history as he ages. Debbie Rodgers, Colorado Federation and Chapter 1072 Vice President for Membership, and I will soon be planning our strategy for our chapter’s participation in the federation’s health fairs. I want to give kudos to chapter officers, George Cook, Treasurer, Susan Tabacheck, Colorado Federation, and Chapter 1072 Vice President for Legislation, Debbie Rodgers, and Jim Seaman, Secretary, for their consistent hard work this year. Our chapter members are also keeping Jim in our thoughts and prayers as he continues to recover from West Nile virus.
