PARKING, TRANSPORTATION, AND DOWNTOWN INDIANAPOLIS RESTAURANTS/EVENTS/SPORTS

I have provided information about parking at the Hyatt Regency Indianapolis for those who will be driving. The Hyatt Regency Indianapolis has both valet and self-parking options available at the hotel.

Self-parking:
Day and overnight self-parking is available on an hourly basis, currently priced at $42 for 24 hours. Please note that self-parking cannot be charged to guest rooms and must be paid either at a kiosk or upon exiting by credit card only. **It's important to note that you are required to pay every time you re-enter the garage.**

Valet parking:
Overnight valet parking is available for standard-sized vehicles at a discounted rate of $55. For oversized vehicles, the rate is $62. Valet charges can be added to guest room accounts, and drivers are permitted to leave and re-enter the hotel premises at no extra cost.
